'Love Chase' plate, Kangxi
Blue And White

£1,400

REF: 2379

Diameter: 20 cm (7.9")

Description

A blue and white plate decorated with a hunting scene, otherwise known as the 'Love Chase', the border with interlocking lotus flowers. Marked to the back with the six character mark for Chenghua within a double circle, the border with single flowers within moulded panels. This is a particularly fine example of this type of plate. Both the strength of colour and quality of the painting are unusually good.

Condition: Good.

Kangxi period (1662-1722).
