Longquan Celadon Vase  
Celadon

£1,500

REF: 2682

Height: 44 cm (17.3")

### Description

A large Longquan celadon vase with incised decoration of peony.

Condition: neck reduced and base drilled, small glaze chips. This was a vase of Yenyen shape and the flared rim has been reduced and mounted with a copper rim.

Longquan celadon, Fujian province, 16th century.
